**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer who previously had competitive DSL service but now have fiber optic service, I ask that you encourage more companies to have full access to all aspects of the Internet structure so as to allow for competition and thus better service with lower prices.

In today's world, broadband Internet is critical to have for business and family usage.
